Del Monte (Cagayan de Oro)
12/2025 - Present   *Cagayan de Oro, Philippines*
Del Monte Philippines is a top food brand offering canned fruits, juices, and sauces, focused on quality, nutrition, and sustainability.

Frontend Developer Experience

- Collaborated remotely with developers and project managers to design and build front-end modules for a CRM system using modern web technologies (React, Next.js, Tailwind CSS).

- Improved code efficiency by standardizing and optimizing reusable UI components across the application.

- Established the foundational structure for UI assets, global styles, and component libraries to ensure consistency and scalability.

- Customized front-end implementations to meet specific client requirements, aligning design and functionality with business goals.

- Contributed innovative ideas and interactive features to enhance user engagement while maintaining best practices in performance and accessibility.
